MILLDALE AND MIRIN CLOSURE PLANS MUST BE SCRAPPED

Scottish Liberal Democrat Councillor Anne Hannigan and her colleagues, including Eileen McCartin, are demanding that Renfrewshire Health & Social Care Partnership (HSCP) scrap proposals to get rid of the two major day centres for people with learning disabilities in Renfrewshire.

Cllr Hannigan said:

"These centres are a lifeline to the users of the services and their families. It is vital that the council and the HSCP continue to provide this service.

Making users just 'manage' their own needs, without the support of proper day centre resources, was addressed before, and this led to the development of the very services now being proposed for closure or amalgamation. My predecessor, Eileen McCartin, fought hard to

ensure these centres were built alongside the sports facilities, and the idea of closing them now is ridiculous and wilfully harmful to those people who need them.

SCOTTISH LIB DEMS PICK JACK CLARK TO FIGHT GENERAL ELECTION

Jack Clark will fight for Paisley & Renfrewshire South at the general election.

Scottish Liberal Democrats have chosen local campaigner, Jack Clark, as their candidate for Paisley & Renfrewshire South at the general election.

Jack lives and works locally, and stood for the party in 2019. He has been vocal on issues like the cost of living, support for care workers, and the environment around Paisley.

Speaking after his selection, Jack said:
"I am very proud to be the

Scottish Liberal Democrat candidate for Paisley & Renfrewshire South. We have a plan for a fair deal for local residents. That means mending our broken politics, supporting people through the cost-of-living crisis, and protect our environment.

It's time for change, it's time to get the Conservatives out of Government, and it's time for a fair deal. That's why voters in Paisley & Renfrewshire South should vote Scottish Liberal Democrat.

HANNIGAN HITS OUT AT PARKING COSTS

Councillor Anne Hannigan has hit out against the hike in parking fees following the end of the Free for Three scheme.

Cllr Hannigan slammed the charges, saying:

"I know the SNP consider the free one-hour parking to be a better deal. But the fact is that no one coming into the town for shopping or leisure will be prepared to pay the sudden £4 charge for a second hour.

"The charges should have been set to allow, for example, a £2 charge at most for the second hour. This would provide the council with a 100% jump in charges, and raise the charge to a higher charge for five hours or more for on-street parking, with off-street parking being considerably lower."

PROGRESS MADE ON ROAD SAFETY

Anne Hannigan has urged Renfrewshire Council to lead the way on road safety, following progress on 20mph speed limits, and calls for improvements on Brediland Road and Garry Drive.

Cllr Hannigan welcomed the news that speed cameras will soon be installed, saying, "I have pushed for better road safety for a long time, so it's great to see that speed cameras will soon be installed on Brediland Road. "I hope my plea for enforceable 20mph zones during school hours will also be actioned, and a survey on Garry Drive will prove the need for measures here too."

Cllr Hannigan also secured a speed survey on Corsebar Road following concerns from residents. Although the results of the survey did

not justify actions being taken, some high speeds were acknowledged, with findings being passed to the police. Cllr Hannigan hopes that further investigation will be conducted as so many residents have seen high speeds here.

We want to hear from you...

Please rank the parties below in order of preference

- Lib Dems SNP Cons
 Green Lab Other _____

Do you think Scotland should be an independent country?

- Yes No

What do you think is the biggest issue facing Paisley today?
